Outdoor Drinking Fountains

A Family of Fountains

Designed Specifically

For Outdoor Installations

Discover the
professional's choice.™

Elkay Outdoor Drinking Fountains are specifically designed for school campuses, playgrounds, golf courses, parks, campgrounds and recreational areas. Vandal-resistant features and durable, weather-resistant finishes help ensure years of service. Select from decorative stone aggregate and sleek tubular steel single, bi-level and multi-station units, including many ADA Compliant models.

- Pet fountain features slow drainage for easy drinking
- Size: 22" W x 42 3/16" H to upper bubbler

THIRD PARTY CERTIFIED TO NSF/ANSI 61

TUBULAR STEEL DRINKING FOUNTAIN ACCESSORIES

97887C
Non-Locking Hose Bib

This kit will modify LK4400 Series Pedestal Fountains to provide the added ability to connect garden hoses or fill pails in outdoor applications. Ideal for golf courses, ball parks, and swimming pools for irrigation purposes.

97889C
Locking Hose Bib

Same as a Hose Bib Kit but with a panel and a door that can be secured with a standard padlock (not included) to minimize tampering.

97890C
Direct Bury Kit

Makes rough-in and installation easier for all models of non-freeze resistant tubular fountains. Opening in adaptor allows for simplified routing of water supply and drain into the fountain body. 3/4" rods provide added stability.

Now Available In 16 Colors!

Tubular Steel Drinking Fountains Color Options

Elkay Tubular Steel Drinking Fountains are now available in a choice of 16 colors! In addition to standard textured evergreen, choose from 15 new colorful options all with a textured river finish.
