Why Elkay?

1 **One quality source** for sinks, faucets, water coolers and drinking fountains

2 **ADA Compliant Products** for applications in hotels, resorts, restaurants and entertainment venues

3 **Products for both new and replacement applications**, in a variety of styles

4 **A combination of form and function**, for products that look as well as they perform

5 **"One Call" Technical Service** to help make installations or repairs as easy as possible

6 **A rich tradition** of innovation, manufacturing excellence and outstanding service since 1920

7 **Manufactured in the USA** with domestic and imported parts

Quality. Performance. Safety.

When selecting plumbing products for hospitality facilities, there are many things to consider. That's why you need to consider Elkay as your one source for the sinks, faucets, water coolers and drinking fountains in your facility. Elkay...discover the professional's choice!

Elkay Stainless Steel Sinks

- A broad offering of stainless steel sinks for a wide variety of applications
- Select from gauges and finishes all providing long-lasting performance and durability
- Almost 90 years of experience at forming, welding, trimming and polishing

Elkay Faucets

- Ceramic disk cartridge technology provides long-lasting superior performance
- Interchangeable parts make it easy to create the ideal faucet for any application
- Solid brass construction with chrome finish

Elkay Water Coolers & Drinking Fountains

- A wide array of ADA compliant coolers and fountains all certified to NSF/ANSI 61
- Vandal-resistant models for both indoor and outdoor applications
- Styles, features and options ideal for hotel lobbies and resorts

sinks

Elkay uses only the highest quality 300 Series stainless steel in various gauges, to help ensure long-lasting performance and durability in commercial kitchens, and bar/ hospitality areas, as well as in lavatories and service areas. Elkay sinks will not crack, chip or discolor, offer superior cleanability and are easy to sanitize, making them the ideal choice for hospitality applications.
