COMMERCIAL

ELKAY COMMERCIAL AND ELKAY SSP BRAND TERMS & CONDITIONS

Pricing: Prices and product specifications are subject to change without notice.
Terms: As standard.
Taxes: All Federal, State and local taxes will be added when applicable.
Limited Warranty:
Warranties vary by product family. Please see website, specification sheet and/or installation instructions for further detail. Warranties do not cover transportation or installation charges. Contact Elkay customer service at (630) 574-8484 for complete details and conditions.
Loss and/or Damage in Transit: Our liability ceases upon delivery of the goods to the carrier at our factory. Claims for damage and/or loss in transit to be made by the consignee against the carrier. We will assist and cooperate in the processing of such claims upon customer's request.
Freight: Prices are F.O.B. factory.
Returned Goods: Returns will not be accepted without prior written authorization from Elkay. Handling and reconditioning charges will be assessed as may be required to restore the items to salable condition.
Cancellation: On custom-made or standard models designed to customer's specifications, an engineering charge will be assessed if order is cancelled before fabrication has commenced. Cancellation after fabrication is started will result in a charge commensurate with the extent of work completed.
EDI: Elkay supports the following EDI transaction sets: Inbound Purchase Orders (850), Outbound Invoices (810), Advanced Ship Notice (856), Inbound Remittance Advice (820) and Outbound Order Acknowledgement (855). Please contact Elkay's EDI coordinator at (630) 574-8484 to discuss the list of current transaction set versions and your implementation requirements.

EZS8WSLK

WATER COOLERS, BOTTLE FILLING STATIONS AND DRINKING FOUNTAINS

Elkay is sure to have a water cooler, bottle filling station or drinking fountain that will meet or exceed your specifications. Select from a wide variety of coolers, bottle filling stations and fountains that meet adult or child ADA standards, as well as coolers that offer the added assurance of our WaterSentry® Filter Systems.

A recent addition is our new EZH2O™ Bottle Filling Station. This new, innovative product line continues our commitment to delivering clean water and sustainable design. It provides a rapid fill of drinking water to quench thirst and minimize plastic bottle waste in the environment. Elkay offers the ideal cooler, fountain and bottle filling station for medical facilities, schools and universities, office buildings, airports, shopping malls, sports arenas and other high-traffic venues, for both indoor and outdoor installations.

At Elkay, we are always looking for ways to make great products even better. Superior quality and popular features combine with a vast array of available options, allowing our customers to find the perfect water cooler, drinking fountain or bottle filling station for any application.

- Elkay water coolers, bottle filling stations, drinking fountains and remote chillers are certified to NSF/ANSI 61-Annex G, AB1953.
- Elkay coolers, bottle filling stations and fountains are manufactured with a waterway system utilizing completely lead-free material.
- Flexi-Guard® safety bubbler features contemporary styling and a special anti-microbial agent that is infused into the bubbler, for an extra level of security.
- Most Elkay electric water coolers are listed by Underwriters Laboratories Inc. and comply with both Canadian and U.S. requirements.
- Designed to meet A.R.I. standard 1010.
- The Elkay Savanna, Illinois plant is ISO 9001 registered.

Color Options

Light Gray Granite (L)

Natural Almond (N)

Sandalwood (T)

Stainless Steel (Cabinet) (S)

White Granite Composite (R)

Assembled in the USA

This symbol means model is ADA compliant when properly installed. See specification sheet for details.

Special Electrical Requirements
Some models are available for use with 220-240 voltage.
Consult with Elkay Customer Service when ordering to specify frequency.
50H, add $50.00
60H, add $90.00

NOTE: Minimum 40 psi supply line pressure required in special circumstances when both sides of a bi-level model are in use simultaneously, to ensure adequate stream height. Use of a water filter in this situation is not recommended. Does not apply to non-refrigerated units.

products

COMMERCIAL SINKS

LR1716C

The name Elkay is synonymous with commercial-grade stainless steel sinks. After all, we've been manufacturing quality stainless steel sinks for over 90 years. And over those years, our engineering and manufacturing methods have continued to evolve, and have continued to set the industry standard.

From our foodservice and utility sinks, to our lavatory, scrub and hand wash models, Elkay's ongoing commitment to superior quality, styling and functionality is evident. Nearly a century of experience at forming, welding, trimming and polishing goes into every sink we make. The breadth of our line allows you to select from features, sizes and gauges based on your specific applications and needs. In addition, Elkay stainless steel finishes provide superior bacterial cleanability and are easy to sanitize when compared to other sink materials.

From healthcare facilities, schools and stadiums… to restaurants, airports and office buildings, Elkay has the ideal sink for all of the required applications throughout public and professional facilities:

- Foodservice
- Lavatory
- Scrub and hand wash
- Service and utility
- Classroom
- General use
- Custom

The Elkay Difference

Furnished with wall hanger and support brackets for easier installation

Uniform satin finish on exposed surfaces enhances the sinks appearance, provides superior cleanability and makes sanitation easy

Coved corners provide a stylish look and are more hygienic

High quality, type 304 stainless steel won't crack, chip or peel, and ensures long-lasting durability

Sound deadening for quiet operation

Note: Most Elkay commercial stainless steel sinks include the above features and benefits (see specific descriptions to each sink family throughout this catalog). **All sink models can also be ordered with an Elkay faucet.**

This symbol means model is ADA compliant when properly installed. See specification sheet for details.

ELKAY SSP LLC™

ELKAY SSP FOODSERVICE EQUIPMENT

Why Elkay SSP for plumbling wholesale? There are six key benefits.

- **Complementary line** — The Elkay SSP product line expands and supplements the existing Elkay foodservice offering
- **Lead times** — Elkay SSP's large product inventory allows us to serve customers quickly and efficiently
- **One source** — Whether you need one table or a complete kitchen, Elkay SSP can serve all needs
- **Easy cleanup** — Elkay SSP sinks are seamlessly welded, dipped and die stamped to ensure proper drainage and cleanup
- **Certifications** — NSF
- **Quality** — Our commitment to our clients ensures that you get the best quality product in the industry, and the best customer service at the most competitive price

Elkay SSP has the ideal product for every foodservice application.

Wall Mount, Sensor-Operated Water Coolers with Visual Filter Monitor, ADA

- Includes 1500 gallon capacity WaterSentry® VII filter (certified to NSF 42 and 53 for lead, particulate, chlorine, taste and odor reduction)
- LED display confirms filtered water delivery and indicates when filter needs replacing
- Electronic sensor provides hands-free sanitary operation
- Auto shut-off device prevents need to turn off water supply to change filter
- No lead design water system is free of lead-containing brass parts
- Barrier-free ADA design meets adult or child ADA standards when properly installed
- Rated for indoor service
- Extra deep basin minimizes splashing and its one-piece construction, with integrated drain, is vandal-resistant and easy to maintain
- Flexi-Guard® anti-microbial safety bubbler complements styling of cooler and is keyed into position to prevent rotation
- Easy-to-install universal design adapts easily to existing plumbing systems
- Impact resistant vinyl coating offers superior durability and performance
- Finishes: light gray granite vinyl (L) and stainless steel (S)

COMMERCIAL SINKS — FOODSERVICE

Rigidbilt® Scullery Sinks, Single Compartment

- 16 gauge, type 304 stainless steel
- Large die-drawn sink compartments pitched to drain
- Seamless drawn 3½" radius coved corners
- Exposed surfaces blended into a lustrous satin finish
- Steel channel reinforced drainboards have a conical shaped pitch for drainage
- Optional undercoating provides a sound and condensation barrier
- 8" high, full length backsplash with 45º slope top to resist dirt and grime
- 2" thick backsplash to allow for plumbing
- Channel rim design with 1" apron, has inward sloping rim to minimize spillage
- 3½" drain opening centered in each compartment
- Stainless steel tubular legs with cross-brace supports, 1⅝" O.D. with up to 1" adjustable bullet shaped stainless steel feet
- Carries NSF International certification

DLW-72X

ELKAY SSP COMMERCIAL — STORAGE

Aluminum Pan Rack

- Reinforced gussets ensure strength and durability for medium duty commercial use
- 20 pan capacity
- Available as end load (APR1820-LX) or side load (APR1826-LX)
- 5" polyurethane casters with swivel stems
- Heavy duty 6063 aluminum
- Uprights and runners are fully welded
- Vertical posts are 1" square aluminum tubing (.063" thick)
- Replacement casters available

APR1820-LX	**$363.00**
APR1826-LX	**$295.00**

APR1820-LX

Aluminum Dunnage Rack

- Sturdy construction ensures strength and durability in any environment
- Load capacity of 1500 lbs
- Available in 8" or 12" heights
- Plastic feet included
- Heavy duty 6063 aluminum
- Top is constructed of 1½" x 1½" x ⅝" square aluminum tubing welded horizontally on 4½" centers
- Legs are 1½" x 1½" x ⅝" mitered aluminum
- Great for use in coolers and freezers
