## Terms and Conditions of Sale

### Pricing

Prices effective at time of printing. Prices, terms and conditions subject to change without notice. Prices valid 30 days from date of quotation, unless otherwise noted. All U.S. sales are net 30 days with approved credit. All international sales are Ex-Factory. 1.5% Interest to be charged per month on all past due accounts.

### Minimum Order

Minimum order for shipment is \$25.00 net, plus applicable taxes and freight.

### Taxes

All prices and quotations are subject to applicable state and local sales taxes.

### Freight Terms

All shipments are FOB point of shipment, with no freight allowance unless otherwise specified. Title passes to buyer as goods are received by carrier. All UPS shipments subject to surcharge per package. Any shipping instructions are subject to acceptance by Seller.

### Returned Goods

Returned merchandise must be accompanied by written authorization from Seller. Material is subject to a 30% handling charge, less any cost to put material in saleable condition, including but not limited to new packing and any transportation. Material to be returned prepaid for credit towards future purchases only.

### Non-Standard and Special Items

Non-standard and special items are not subject to cancellation or return. Thread specifications are Buyer's responsibility.

### Delivery and Claims

Seller is not liable for delays caused by accidents, strikes, transportation, war, acts of God, or any causes beyond our control. Claims for damage or loss in transit must be reported immediately upon receipt to delivering carrier and the responsibility is for the purchaser and receiver. Claims for error, shortage or lost goods must be reported in writing to Seller within 24 hours of receipt of shipment.

### Warranty

Seller warrants products for one year from date of shipment to the extent of replacement of products with defects in material or workmanship when used for recommended purpose. If examination by Seller confirms defect, settlement shall not exceed the net sales price of the specific product and will not make allowance for additional expense or labor resulting from same product. Any request or acceptance of custom design or modification relieves manufacturer of any further warranty. THIS IS SELLER'S SOLE WARRANTY IN ITS ENTIRETY. NO OTHER WARRANTY IS EXPRESSED OR IMPLIED. This warranty does not apply to products subjected to accidents, negligence or misuse, or to design errors due to information offered by Buyer or Buyer's representatives.

### Liability

Liability is limited to obligation of Seller's warranty. Seller is not liable for any loss, damage or additional expense whether based upon warranty, damage, contract or negligence attached to the design, manufacture and sale of products or of the engineering or specifications of the Buyer.

### General Terms

These Terms and Conditions of Sale prevail with any purchase order placed with Seller. No modification, waiver, alteration or addition to these terms shall be valid as part of Buyer's purchase order unless individually acknowledged and accepted in writing and signed by an authorized representative of Seller. It is agreed that all purchase orders placed with Seller, Guardian Fire Equipment, Inc., will be paid in full and in accordance with Terms and Conditions of Sale as stated above. Should Purchaser not pay Seller according to same, it is understood that credit privileges may be withdrawn and interest will be charged at a lawful rate. If it is necessary to obtain collection assistance, Purchaser agrees to pay interest at a rate allowed by state law, and any attorney fees or court costs.
